“ *I grew up in Frost and remember all of you from those days spent in that great little town. So sorry to hear of Mrs. Bridger's death. I pray that you will all receive comfort from the Lord.*

“ *I would like the family to know that my thoughts and prayers are with you. I know she will be greatly missed. She was a very sweet and loving person and she reminded me so much of my Maw Maw (Ada Bell). I will always remember how important her family was to her and how much she loved to see them. I took my little grand children down to see her while visiting my dad David and her face just lit up because they came to see her. She was always so happy to see us and she will be greatly missed. May God speed healing to your family.*

“ I throughly enjoyed knowing Mrs. Bridger during her stay with us. She was a delightful lady with a wonderful personality. Her long hard journed has come to an end and her celebration has just begun! God speed to her and her family during this time of sorrow.

“ Granny was there for everyone, and welcomed them into her home no matter who they were, rather immediate family or not. She treated me as though I were her own grandchild though I was not. She was one of a kind and will be greatly missed. There will never be another like her.
