“ *Booch was a very good friend! Always so sweet to me and our family! She always had a joke for me anytime i called or a funny thing to say! She will be missed so much! She taught me a lot about life and to not sweat the small stuff! We had many important debates over Chinese food, our favorite! I will always think of her with a smile and think of all our good times together. Somewhere in Heaven she is making them all laugh with her quick wit and sense of humor! She really left her mark on this world! Sand*

“ Cliff & Beverly,

You are in our thoughts and prayers.

We thought of Booch as family. We could not have asked for any better neighbors. She will be greatly missed.

She always had a smile on her face even when she was in pain.

She is in a better place now and not suffering. She is looking down on you'll now and will take care of you'll from above. Cliff we are just next door if you ever need anything day or night no matter what time.

With deepest sympathy.
