quilting. Her quilts were treasured by everyone who was gifted to receive one of them. Her most requested quilts were the birth announcements. These were special quilts with the newborns vital statistics. And each and everyone was hand stitched, designed and personalized for the baby. She would also crochet and made numerous beautiful items for loved ones. Whenever you would happen to stop by and see her, she usually would be sitting at her quilting frame stitching, singing while doing a labor of love. “ *We sent our love and condolences during this most difficult time. I do hope Namon will be able to attend visitation tonight. Edna was a favorite cousin of his. They are three months apart in age.*

“ *Eddie & Linda,*
Mom just called and informed me of Edna's passing. I'm so sorry to hear this. I just love her and John so much. It was always a pleasure to get to visit with them when they would stop by Monnie and Grandy's. Edna always had a smile that would light up the room. I know it broke John's heart when she had to be moved to Ennis.
We will all see her again one joyful day!
Love,
Dawn
