“ Julie, Don and Morgan, I am so sad for you. I know that the last couple of months have been difficult. Edra was so good with Madison and Emma. And really, she was so good with me! She would just give me "the look" when I would pick the girls up from school, and they had not been their best for her, but I would try to convince her that the girls had not been bad, she had just misunderstood their intentions! The 2-K class seems empty without her.

“ We are sorry for your loss. Loy and Edra were 1953 grads from South Taylor High School and we will always treasure renewing/making her acquaintance at the reunions the past several years. A special memory is of her coming in for their 50th year reunion with the music CD, TUSCOLA! We also enjoyed her stories about being missionaries on the border. May God comfort all of her family at this time.

“ Julie and family we will miss your mom so much. I can just picture her holding Delaney and Kaylee in the rocking chair at school. She was always so loving to the kids and that means so much when you have them in daycare ,just to know they are being well taken care of. We will each miss her ,but it is comforting to know she is in a better place.

“ May thoughts of all your mother meant -Of love she gave, of good times spent -Bring you peace and comfort, too, And keep your mother close to you. May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss..All those sleeping in their graves will wake up and sing for joy. As the sparkling dew refreshes the earth, so the Lord will revive those who have long been dead."-Isa. 26:19.

“ Dear Family: I so much enjoyed talking about "old times", laughing and visiting with Edra and will really -miss those times. Even tho they were not as frequent in the last years, we always seemed to just pick-up where we left off. You are in my prayers.

“ My youngest daughter, Camryn, was lucky enough to be one of Edra's pupils. She was so wonderful with her and all the children in the class. Being the baby of the family, I could hardly bear to leave her, but Edra convinced me she'd be okay. And of course, she loved it there. She was a wonderful woman who will be missed by lots of people.

“ Julie, Morgan, and Don. What can I say...my heart hurts so badly for you I can't imagine the pain of losing a mother. What I can say is what a joy it was to be around Edra. Always smiling and laughing. The "Queen" of Pinochle - so many hours we spent playing. I will never forget the night we slept on the floor in front of your fireplace in Rockwall and nearly froze! We laughed and talked all night long. And her cooking - oh my goodness - she could cook a meal! I know she will truly be missed. My prayers and thoughts are with you and your family.

“ *Edra was a special lady and I feel very privileged to have worked side by side with her the past several years. She taught the children in her class with love and discipline. She was loved. I will think of her every time I see her rocking chair in our 2K room. We will all miss her.*
