March 15, 1951 - January 24, 2026

Edward Martin Sleziak was born on March 15, 1951, in Detroit, Michigan, to Rachel and Edward Sleziak, and passed away into the arms of Jesus on January 24, 2026, surrounded by love.

Ed left school early to serve his country and proudly enlisted in the United States Marine Corps, where he served for two years. He was highly skilled in his trade and built strong relationships with his customers, many of whom became long-time friends. Known for his straightforward nature, Ed spoke his mind and was never afraid to be honest. He expressed his love in his own unique way, often through humor and playful gestures that reflected his affection for those around him.

Ed valued his weekly phone calls with his brother Steve and rarely missed them. These conversations were an important part of his routine and a reflection of his strong family bonds. “ Eddie was always the “big brother “. He always watched over me and protected me while I was growing up. I was sad when he left to join the Marine Corps, but happy that he made that important decision. After graduating from Boot Camp, he was assigned to Quantico. As a little sister, I was very proud of that! He taught me a lot through the years, and I’ll be forever grateful for my big brother. Rest in peace Eddie! ❤️👼
