“ Daddy,
I will miss you so much but I know in my heart you are in a better and less painful place, I love always love you.
Barbara, I know you are in pain and lonely at right now, just know you are in my prayers that God gives you the strength to get through this time and leaves you with only the happy memories.

“ Sorry to hear this Melissa. You obviously went with the wrong EMR company, and were too quick in setting up a patient portal. After nearly 8 years of being "electronic" I am still not convinced about the value of such a patient portal. And, to ask patients to ship in with this economic crisis, is not a smart idea. Besides, people are always looking for a free lunch or service.
