“ I salute Elbert for his service during WWII, and for his service in the Texas National Guard for many years afterwards. His total military service was 28 years. Elbert was one of the first to get to the famous Remagen Bridge and after fighting for it, crossed into Germany.

“ *Mr. Prince was such an icon in the Methodist Church and the community. We have a fond memory of his sharing his backyard with us after he retired. It was so beautiful and serene and very fitting for he and Mrs. Prince. We will remember him as a gentle man and gentleman.*

“ Rick,

It seems like yesterday when we were teenagers, invincible, and nuts! Our parents would be there forever. The last time I visited with you Louise had passed and now your Dad! My thoughts and prayers are with you and your family. Mine folks are gone now, too. Life is short. I hope the rest of your life is what you want it to be. God Bless and maybe we'll bump into one another someday. Clark

“ *Uncle Elbert was such a kind, thoughtful man. I have fond memories visiting his appliance store and walking around wishing for something. When I was 10, I got my wish and Santa delivered my first stereo (purchased at Buck's). There are other memories of Christmases spent laughing as we opened presents Christmas morning. And, most recently, I enjoyed talking with him on the phone and hearing about his family, grandkids and life in general. He will be missed. My prayers are with my cousins, Sharon and Ricky, in the coming days, weeks and months.*
