“ Elizabeth was my neighbor and was one of the first to welcome me when I moved into the neighborhood. I was amazed by her energy. I would see her painting the trim on her house, mowing her lawn on her riding lawnmower, zooming all over town in her Suburban, line-dancing, trimming hedges and working in her yard..... She was full of energy, I was so sad when she started her decline and I know her family was devastated. Take comfort in remembering the rich, full live she lived. So thankful to have had her as a neighbor and friend. My condolences to the family.
