“ *Ella Mae was a long time friend to my family. My mother and father, Jewell and Melvin Turner were friends with Preston and Addie. Ella Mae was the same age as my sister Wilma and they school mates. Wilma always considered her one of her best friends. They kept in touch over the years. Ella Mae and Robert were very good to our mother after our father died and she appreciated it so much. Later Ella Mae and my sister Vestal we're both at Legacy West, finally to become roommates. When Vestal was no longer able to talk to me on the phone and I lived too far away to visit, I could always call Ella Mae to check on her and keep me informed. She was always caring and helpful. Our phone calls continued after Vestal passed away and I will truly miss her. My condolences to the family she loved so much. Dorothy Turner Grice*

“ I don't profess to know which is the correct of many perceptions of the word 'angel'; but this one squares with my interpretation- "each angel will enter a service according to the use that they had performed in their earthly life".

*That I never witnessed anything but kindnesses from my Aunt Ella Mae, nor heard her utter anything but the kindest of words and encouragements to anyone makes me feel this sweet, kind and gentle little lady is the closest thing to an angel on Earth I've ever known. And although she no longer walks among us, she will certainly enter service according to the use she performed all her earthly life... now from On High.*

*Rest in peace, sweet Aunt Ella Mae. This old world is something less without you, but we know you serve a higher authority now.*

“ My prayers to Ella Mae's family as she goes to her God. Julia Gonzles and I visited her often, along with other outreach teams from her church, Westside Baptist, thru the years. Her faith never wavered in her Lord and her loving, positive Spirit lit up our lives every visit. She loved sharing photos of her family, and our prayer time was sweet. God rest her sweet soul!!
