“ *Anita & Family: May God give you strength and comfort during this time. Mrs. Lane (Granny) was a remarkable and strong woman. Your care and love for her were apparent. She will be missed.*

“ *I knew Elna for forty six years, and she was always thinking of how she could help her family. She had a truly wonderful life here on earth, but she is now safely sleeping in the arms of Jesus. We all will miss her until we are reunited together in Heaven.*

“ *The success of a life can always be measured through the family. I only have had the pleasure of meeting parts of "Granny's" family a few times and the privilege of spending a little time with "Granny" herself but it was plain to see that her happiness was her family and that her life was very successful. She is in a beautiful place and will be watching over her family for eternity! Her life will be celebrated in hearts all over the world forever!*
God Bless her!
