“ *You will be missed greatly by our family. Our thoughts and hearts will be with you forever. I personally will miss all the times you frustrated me with your persistence to have everything just right and in place. Although your smile and warm heart always won me over and brought me patience and understanding. I will truly miss you and now leave you in the hands of the Lord for eternal peace.*

“ To all of Elsie's family, I extend my sincere condolences. I had the pleasure for many years of knowing Elsie through this job & one prior. She was always a pleasure to wait on. We had remained in touch occasionally even after her move from Corsicana. I was away for a couple of weeks and didn't learn of her death until recently. I am sorry that I was not here for the service. She was a special lady & will be missed by many.
