“ *Dear Connie and Family,*

We were sorry to hear of your mother's passing. I know she had not been well for quite awhile. My Mother, Audrey May Lynn Simms, kept in touch with her for many years when Elsie was able to appreciate her letters. The last time I saw your mother was at the Downes reunion over in Virginia the last time she and Jim were able to go. Our family will miss her. Our deepest sympathy to you and your family.

Love and prayers,

Sarah, Denzil, Stephen and Jonathan Dorsey and Audrey May Lynn Simms (I included her because she doesn't have a computer)

p.s. Please send Audrey your address in Texas and your last name as she could not find it since you had moved to Texas only had your old address.

Her address is: HC83, Box 335, Rainelle, WV 25962 Thanks!!
