“ Dear Mr. Harvard and family,

Although I did not know Mrs. Harvard before she came to Heritage Oaks, I have no doubt we were in the presence of a special, special lady.

“ *Of the seven sisters, Emme was the one I knew the most. She was always a strong woman and always a loving person. She always tried to teach me things to make me a better person when we were together.*

I miss her greatly and am glad that her long suffering has stopped. She is in my thoughts and in God's arms.

“ *Dear Sam, Susie and Gary, and Kathie and John,*

I should be working at this moment but I just kept thinking about Emma so I had to go ahead and send this note.

She touched so many people, which is so obvious by the number of people there Saturday. I didn't tell you this, but I called her and Sam about 3 or 4 years ago one day when I was in Corsicana. She spent at least 30 minutes going on about the family, until my phone was about to run out of power and I had to let her go! So she obviously was so proud of y'all and the grandkids.

Anyway, Rita is sorry she couldn't come Saturday. We hope to see you soon, and God bless you.
