Kelsey loved you and she misses you so much. Give her comfort, give her strength...I know you and Cody are having a ball, and we will all see you one day soon.... You and Cody watch over us, we love you and miss you..... Goodbye Eric....No Tears In Heaven...*

“ Although We Were Not Close It Hurts That You're Gone. I Don't Remember Too Much About You, But I Remember When Cristal Let Stormy Do You Make-Up, Eyebrows, And They Also Did Your Nails. That Moment Will Be One I Continue To Laugh At For Many Years. If I'm Upset When Your Name Comes Up And I Think Of That It Reminds Me Of What To Remember. The Person Not The Actions. I Consider You A Friend And I'm Deeply Sorry You're Gone. I Wish I Had Of Taken The Time To Say More To You, Eric. Rest In Peace.

“ I'm not sure what to say at this point. Your not here to touch or hear, but in my heart you will live on forever as that pimple faced kid that was so kind and loving. Please give me guidance to help your sister through such a tough time. You will be dearly missed by all that really knew you. I told your sister that she did not loose a brother, she gained a guardian angel.

I love you with all my heart, rest little man, your worries are over and your finally at peace. Love uncle Jeff.

“ It is so hard to believe that your gone. I just hope that you can help me thru this. You left a part of you in everyone you met. You are missed by all of your friends and family. Please help me find the strength to help you sister and uncle to find comfort and understanding. It is going to be hard to get over this and we never will fully heal from the hurt and pain in loosing you, but we do look forward in seeing you when we get there.

I love you sweetie and rest in peace now. No worries, pain, hurt or sorrow. We will always love you and miss you.

Love always and forever, Aunt Lorie
