“ *I remember nothing but great things about Mrs. Rodriguez. Gracie and I where classmates and got to know Mrs. Rodriguez as mom. My sister Traci and Angela where also classmates. Our class of '92 stood out because of positive influences like she demistrated. I was truely shocked and saddened to hear of her passing. To Gracie and Angela, my prayers are with you and your family. When I remember of my school days your mom is part of it. It takes a special person to work with kids for so many years..I can honestly say she blessed my life, and the kids at Frost ISD. They'll never find a woman to feel her shoes. You can't find a more caring and sweetheart like your mom.*
