“ *I still have memories of Mrs. Putman being my VBS teacher and have a vivid memory of going over to your house after I was baptized that Sunday night and trying to play some game. She will continue to be in my memories and I do Praise God for her and, I am sure many were said, all the prayers she prayed for me. May God bless you during this time.*

“ Ronnie, *I'm so sorry to hear about the loss of Leona. She was a special lady, and a joy to be around. I cherish the memories of Sunday School. and I could'nt wait to be in her class at Bible School because she had the neatest crafts. My thoughts and prayers are with you at the difficult time.*

“ Leona was always the kindest person, and always pleasant to be around. When I was growing up in Navarro Mills, she made clothes for me. I always found these crazy "outfits" in magazines and she could always make them for me. What a seamstress she was. If I can't get to the visitation or funeral, I will be thinking of Ronnie and the family. With my condolences-Homer Andrews

“ To the Putman Family:
Leona blessed my life in so many ways.. Leona taught me so much about life, the love of a church, family and friends. Leona was so much apart of my youth and young adult life. She taugh me to live by example, talk and walk the Christian life style. She had class... She introduced me to kim her grand daughter and had a blast that one summer she came down. Leona really enjoyed family times. My thoughts and prayers are with yall.....
