“ Although she always told me I could call her Evelyn, I just always called her Ms. McHenry, I guess a respect thing. I admired her so for her strength. I always saw her as one that could bounce back from just about anything. She has been in my prayers and the prayers of our church for several months. I know she is with God now. No more pain, no more having to struggle with health issues. I will always remember her and will miss her a lot. Love in Christ - Beth

“ I always loved to see her smiling face when she visited at the Clinic. I remember her being a pillar of strength. My prayers are with the family at this time and I know that she is looking down at us from her heavenly home along with our Savior. Ms. Evelyn is smiling and well, back to being her self.
