“ *It has been such an honor to care for and about such a lovely and kind woman. I only wish that we could have known her for a longer time. She was always kind, patient, and soft spoken. She always had a smile. I think Flo was so very lucky and fortunate to have had the caring and concern of all of her family. I know she will be greatly missed by all, especially Lester. I think of how much richer our lives are for having been touched by Flora. You are all in my thoughts and prayers.*
