“ *Florence meant the world to me! When we moved to Corsicana in 1991 she accepted and treated me as one of her own, and for that, I loved her to pieces, and I can't go without saying...so did her BC. Loved them both!!! She was very kind and loving to my family and me, and I have many good memories we made together that will never be forgotten. With much love and prayers to her sweet family.*
