“ Our heartfelt condolences to the family of Floy. The influence she had on us will forever be remembered. While some people never can make a decision to move and "let go" of their possessions, Floy did. She wanted to be near her sister. I'm sure it was a comfort to her as she was to us. I (Jamie) spent 4 1/2 months in the Vintage Nursing home while she sat with me so many times. Often bringing me goodies to eat. She'd tell me stories about her and Buck. We will miss her so much but we know she's in a much better place.
