“ *I can remember many special times with Frances. I lost all my grandparents when I was very young. Frances took the place of a grandmother in my life. She was a great women who loved me, my mom, and my children greatly. She always had time for us and we loved her dearly. She gave me my first puppy, Wilbur, and I loved him almost as much as her. I will miss Frances greatly, but I cherish all the memories that we have shared over the years. Harwell family, please know that my family continues to keep you all in our thoughts and prayers.*
