“ *Frances Marie, my sister in law, dear sweet friend and companion in many, many adventures throughout the 51 years I have been married to her little brother, Glenn. She took me into her family on the day we met and treated me as one of her own. Together we enjoyed traveling, shopping, making crafts and flower arrangements, wedding planning and not to forget building Tioga! She started our cherished "Gullatt Girls Weekends" over 20 years ago and this is the first year we have not had the event. Words cannot express the love and appreciation I have for this lady - I love and miss her already, but know she is enjoying a fabulous "Reunion with our Lord and Savior and her many family and friends who have gone before. I miss you and will bring you a cold Coke when I see you again!!! I love you, Sherry.*
