

Francesca Simmons

July 24, 1997 - January 1, 2024

Francesca Anna-Maria Simmons, age 26, passed away Monday, January 1, 2024, from medical complications. She was born Thursday, July 24, 1997, in Dallas, Texas, to Doland and Elisabeth Simmons.

From her earliest childhood Francesca loved animals, helping to care for the family's dogs, cats, chickens, rabbits, and goats. She had a special interest in horses and at the age of eight, Francesca began to excel as a talented equestrian. She got her start in western riding but found her passion in dressage. By age 17, with the help of her trainer, Sonya Livermore, she was riding horses that were challenging, even to professional trainers. She absolutely thrived in the saddle and loved to compete, winning ribbons along the way.

Francesca was a fully homeschooled, high school graduate of 2015.

Beginning in 2003, when the family business, Simmons Security Services, Inc. was started, Francesca took on small roles in the organization. At age 16, she began to work part-time in the business, contributing to its strength and success. She continued taking on roles and responsibilities with the goal of, along with her sister Rebecca, running the corporation after Doland and Elisabeth's retirement. She also had a promising future in the insurance industry, successfully obtaining her agent's license in 2022.

Francesca married in 2019 and celebrated the arrival of her precious daughter, Sophia, in 2021. She walked into motherhood with elegance and ease, loving her daughter fiercely along the way. She navigated the

complexities of life, including a period of personal growth and divorce, with the resilient spirit that defined her character. She approached each chapter of her life with grace, leaving behind a legacy of profound connections and cherished memories.

A beautiful chapter in Francesca's life unfolded when she met her fiancé, Adam, in 2022. Together, they authored a love that resonated with warmth and authenticity. Their story remains in the hearts of those who witnessed the beauty of their love. With each new day she is deeply missed by all who love her.

Francesca was an independent, thoughtful, spirited woman who loved the Lord, her family, and her friends. She had a passion for baking and enjoyed making delicious goodies for those she loved. She was always quick with a witty remark, bit of sarcasm, and timely encouragement. She loved her people deeply and was a safe place for all who knew her.

Francesca was a remarkable woman who is survived by her daughter, Sophia, and by her parents Doland and Elisabeth Simmons of Corsicana. She is also survived by her sisters Josephine of Conroe, Cassandra of Burleson, and Rebecca of Corsicana; her brothers Eddy of Lewisville and Samuel of Keller, and their spouses. Furthermore, Francesca leaves behind her fiancé Adam Brower of Houston; as well as a host of nieces, nephews, family, and friends. A memorial service for Francesca will be held at Park Cities Presbyterian Church (4124 Oak Lawn Ave) in Dallas, Texas, on Monday, January 22, 2024, at 2pm.
