“ *Uncle Frank was a good man.*

I have memories hunting and fishing with him here in Wyoming and my brief stay in Texas. He was always willing to sit and talk no matter what it was to be discussed. Although the years have passed, I still have those found memories.

My heart and prayers are with you Aunt Frances and the rest of the family. Although I will not be able to come due to medical reasons, You will be on my mind, in my heart, and in my prayers
