“ I am so sorry for your loss. It's been a long time since I have seen any of you but I still think of you often. I remember spending the night with Thresa over at Nannie's house several times when we were growing up. Those were the good old days. I wish all of you the best. May god bless you and comfort you in your time of need.

“ I remember Mrs. McCarter simply as "Nannie." She was always so sweet to me and treated me as one of her grand-daughters. Even after circumstances changed...nothing changed with the way she treated me...whenever she saw me she was still the same sweet loving person. The thing I remember about Nannie (I was just talking about this to someone not too long ago.) was her fried quail. It was always good to get invited to stay for family meals! Good cooking and great memories!
My prayers are with you all during this time. Me God give you peace and comfort in the days ahead.

“ I remembered her very well from Sterling House. She was always with a smile and always had something nice to say to me. She was always glad when I was the one passing meds. I saw her last month at Heritage Oaks along with Haynes, Davis, Hodge. It was sure good seeing them all to. I just wanted to drop these few lines to all the Family just to let you all know that I'm thinking of you!
