“ Ma, Frank, Joe, Robin, Evelyn, David, and all the nieces and nephews. I send my condolences to all of you and I share the pain in losing Frank. My heart hurts. I still can't believe he's gone. You are all as close to family as i have ever known and it hurts deeply to lose anyone you're close to. I want you to know you can call on me if there's ever anything I can do to help out with anything. Frank had such an outgoing personality and always knew how to make you laugh. We might be working our butts off in the heat and miserable but he could still make ya laugh and enjoy what you were doing. He would do anything to help anybody out as long as he was able cause he had a good heart and he was just a stand up guy. You don't meet a lot of people like that in your lifetime. He's sure gonna be missed by many but never forgotten. I love all of yall and wish I could have said goodbye Frank. If you're looking down and reading this, keep an eye on us all and we'll see you someday again.

“ Frank, Rachel, Evelyn, Joe and David, I am deeply sorry for your loss. I can't remember the last time I saw Frankie but when I heard the news it hit me like a ton of bricks and it has brought back so so many memories. I do remember him being so full of life and everyone around him adored him so very much. He was always the life of the party. I will always remember that smile on his face where you knew he was always up to something. I miss that smile and I always will. From the very bottom of my heart, I am so sorry and you are in my thoughts and prayers. I love you. Lulu
