“ *I can hardly believe this sweet person has passed away. I've known Freida since she we were kids. This woman was a very special person. Gone too soon my friend.*

“ *Fredia Ann was always a happy child who grew up in a loving home with parents who adored her. She was so happy to have found Harold and share a married life with him and his family. I will miss her laughter and the light she shined so brightly in this world. She had a precious spirit. Rick Mason and I are heart broken to hear of her passing. Our love goes to Harold and their family.*

“ So sad to hear about Freida. We worked together at State National Bank and lately our paths have crossed as she worked in Accounts Payable at Navarro College and I am at the City Water Dept. RIP my friend, Freida, God be with you! Sherry Gullatt

“ *May the Lord bless Ms. Fredia. I have had the privilege of working with Ms. Fredia in the business office at Navarro College for the past eleven years. She enjoyed it whenever my grandson (now age 2) would come visit us at work. Ms. Fredia would pick “her little friend” up and place him on her knee to bounce and play with him. I will miss her light, sweet voice and our talks about her family (including Ms. Kitty) and old television shows and commercials that were just good, clean fun. We will miss a very special lady.*

“ *May the Lord bless Ms. Fredia. I enjoyed working with her in the business office at Navarro College over the past 11 years. She loved it when my grandson Harry (now age 2) came to visit us at work. I nicknamed him "Ms. Fredia's little friend" because she would light up and would placed him on her knee to bounce and play with him. She loved to talk about old tv shows and commercials. I will miss her light sweet voice and her great sense of humor.*

Sad that another Corsicana High School Class of 74 alumni has left us behind. Fredia was active and always friendly. She didnt just talk the talk but walked the walk. If we live our lives as Freida did we wil see her again.
