“ Dear Mrs. Turner's family,
I feel so sad for what has happened,
because I know you loved Mrs. Turner and
always will, we love Mrs. Turner a lot too.
We will miss Mrs. Turner because she was
a wonderful woman and teacher. No one
would have thought she would get sick,
because she was SO FULL OF LIFE. Mrs.
Turner always greeted us with a smile in
the morning, and we would have a great
day. I really, really miss Mrs. Turner because she was a fabulous
teacher at
Carroll Elementary. When the year started
Mrs. Turner had promised she would never
be sick or be absent during the year, so
we wouldn't have a substitute, so we
would learn more. So, I really don't know
what happened, but what I am sure of is
that here at Carroll Elementary we will
always REMEMBER and APPRECIATE Mrs.
Turner.
Sincerely,
Isabel Regalado

“ Dear,the Turner family I know that you are sad that your daughter Fredna,Turner Passed,but I'm sad too.I really miss Mrs.Turner because of all the things she have done for me and the rest of the students she have taught us things,and I really appreciate her.Mrs.Turner was a really nice teacher,and she used to give the class a popcorn party,and a snowcone party.When Easter time came everyone gave her candy,and the whole classroom had high AR points,and we got a surprise.Now I know today is a sad day,and people in the school has been crying for her including me,and I know that the angel's are crying for her,and that's probably why it is raining today.Today at the funeral I will try to come there,and I know that evryone in heaven including God is readyfor her to go to heaven.

“ Dear Stephanie, Melanie & Megan,
I feel honored for knowing Fredna. She and I became friends just this past summer and I have said to many she was truly one of the finest people I have ever met. She was so giving to her coworkers and students at Carroll. She really helped me this summer when Kevin was changing schools. She arranged for Melanie and Kevin to meet and it helped Kevin adjust wonderfully.

We will truly miss her, but she will be with our Lord and in no pain. If there is anything we can do, just let us know. God bless and be with you during your time of grief.

“ To: The Turner Family

You know God put us on this earth to live a "Full life" and we all know; that life is to serve our Lord and Savior Jesus Christ. And that's what Mrs. Turner did. Mrs. Turner was a very sweet and kind lady. She was always there whenever you needed her, and you know it's kind of hard to know that she's not going to be around, but the spirit and the gift that she has left for me and all of her precious students will live on. I'm going to miss her, and she'll never be forgotten; all the good memories that we shared will live on, I can remember year before last the fourth grade students and I gave her a surprise birthday party we had a great time laughing, eating and talking with the students. I would like to leave these words to her family she left behind: To Stephine, her mother, the grand girls and the rest of the family. "That God is a good God", he never makes a mistake. We just need to be ready to meet her at the Heavenly gate. May God Bless each and everyone of you. If you need me I'm here... Love you, and God Bless You, Cassandra Grayson and family

“ Fredna has been a friend and inspiration to me. I am sitting here at work today trying to carry on just like I know that she would want me to do. I can just here her say "You have to for the children." The children at this school were dear to her and she loved them. Fredna knew what it took to teach a child... bookwork, TAKS, and lessons were a given that Fredna excelled in, but the reason that children were able to learn is that she cared, loved, and nurtured, and was a mom as well as teacher to all. She had and instilled in others the true gift of teaching and that was to love first, then teach. A child will learn in almost any circumstance but to truly learn a child needs a warm and caring environment where they feel safe and imagination can run free. All of the pizza rewards, special hugs, and making sure that all the childrens needs were met is truly a blessing that students, both present and past, as well as me will remember for eternity.
