“ *Al, Tanya & Jessica,
Denise was one of the smartest people I ever knew. She was so creative and had the greatest imagination. She also had a well developed sense of humor and was one of the happiest, most unmaterialistic individuals I ever had the pleasure of knowing. I will miss her smiling blue eyes and big grin. I'm so thankful I went to see y'all in Fairfield! I will never forget Denise bringing the girls to work with her here in Portland when they were so little. I loved seeing y'all! I miss all of you. God bless.*
