“ I am an old school friend of the Johnstons. I lived in Montfort Texas and attended school with Sid and his siblings. I am so sorry to hear about his passing away. I know he is in a better place now and is at rest. I live 1500 miles away from Corsicana but I try to keep up with some of the things that happen there. God bless all of Sid's family and may you find comfort in the Lord.

“ It is with sadness that we learn of Sid's death. However, we know he is in God's hands. At times like this, we look back & wish we had kept in closer contact with our relatives, knowing they will not be here forever.

My memories of Sid are of his wide smile & good sense of humor. We did have fun as kids around Uncle Roy's grocery store. Sid, Doug & Cotton set off a string of firecrackers on the store porch...about 58-60 years ago.. to give me a scare...which they did.

I remember the good times & Aunt Eva Dee's good cooking. She was a favorite of all the Aunts.

God bless you all during this sad time.

“ We are so sorry about your loss. We can't think of Sid without a
smile coming to our faces! He was always upbeat, and laughing
when you saw him. I was telling my sister that he had passed away
and the first thing she said was"He gave me my first job, counting
worms!!"You will all be in our prayers in the days ahead, just
remember all the wonderful memories you have and God will get
you through.
