“ *I first met Gary when he had his concrete business and did a job for my mom and step-father. After that I learned that Gary had a gift. He was a master of rebuilding/refurbishing older model vehicles. On the out side, Gary had that 50 to 60's look. But, Gary is one of the most soft spoken, quiet, laid back, gentleman that I had the pleasure to know and more over time.*

Gary and Becky eventually joined the Cowboy Church of Corsicana, between there and the car shows, I got to see Gary shine.

Gary is a true gentlemen and I know he will be missed, as I will miss him dearly.
