“ *So sorry to hear about the passing of Gary. I knew from our time at Zion's Rest in North Corsicana through high school and considered him to be a very good friend. My thoughts and prayers will be with the family during this time.*

“ Gary was my classmate in school (CHS 57) long ago. He was one of those guys that you always remember for his kindness and his smile. In the past few years when he joined us at reunions, you could still see that warm light shining from his brilliant blue eyes. How blessed we all were to have known him. May he rest in peace now, and may his family be comforted in this time of grief by knowing that all of us grieve with you.  
Here's a candle for you, Gary ... blue like your eyes.

“ I'm very thankful that I have so many memories with Grandpa. The times spent with him were the times where you didn't think about pulling out a camera, you just knew that the memories would out last both of us. Grandpa was my biggest influencer in life. He had so much wisdom to share. The best part of being with Grandpa was that I always took something from every encounter, it was most often knowledge. I don't think Grandpa owned one vehicle, or piece of machinery that didn't need his love to operate or keep operating. I know he had more pride in something used, rather than new. It became his once he put his touches to it. There isn't a time I don't think about Grandpa when I'm working on something, because I always remember how he went about fixing things. Every time I look at something he made, or worked on I just know he put every bit of love and attention to whatever it was. Through his wisdom and actions I will more now than ever choose to live and think the way he did, until the day we meet again.

*To Mom, Uncle Mike, and Karl:*

*I'm deeply saddened for your loss. I just wanted to let you know that every time I was with Grandpa, he talked about y'all with so much love in his heart. I was told some great stories about y'all as children. I know he was the happiest man alive to know that each one of you were his children. He loved God, and us more than life itself. I love y'all!*
