“ My heartfelt condolences go out to Gary?s family. Although I had not visited with Gary in a very long time, I am devastated. Gary?s infectious smile and well-honed sense of humor will be sorely missed by us all.

“ I was very sad to hear about the loss of Gary, a true friend to many who grew up in Corsicana. I agree with Mike Keeney, I also appreciated Gary taking care of us underclassman. He truly had a "heart" for those around him and it always showed...I like many had not seen Gary in a long time but he was one that you never will forget...Our lives will never be the same without him in our presence but the memories in our hearts will last forever...May the Lord Jesus Christ fill the void in the hearts of his family and friends...Rodney Payne

“ On behalf of my sister Megan and me, our heart felt condolences. Gary was one of the most sincere and niscest person we ever had the good fortune to know. He will be remembered for his quick wit, his infectious laugh and for being a great human being. I know I have not talked to Gary in many years, but believe me, he was a true friend. He took a young sophomore football player under his wing when he did not have to, and I will never forget his kindess.

May God bless his soul and grant comfort to his family.

Warmest Regards,

Mike Keeney and Megan Martinez

“ Mrs. Stokes,

I met Gary in 1970 when I moved back to Corsicana. I will never forget his kindness to me and how he made me feel at ease. As the years progressed and as we shared classes and activities, he always was fun to be around. He was forever making us laugh and smile. I saw him last at Iris Prater's funeral service. It had been years since I'd talked to him, but he acted as if it had only been a few days. He teased Diane and I about our grey hair and needing to meet Miss Clairol.

I will never forget Gary and his gift of laughter and kindness. I am sorry for your loss and I pray the Lord comforts you and yours during your time of sorrow.

“ My deepest sympathies to Gary's family. I've known Gary since grade school and he was always so nice to everyone. He always had a smile on his face and a friendly greeting no matter how long it had been since you had seen him.

“ Condolences to his family. May the lord be with you. I did not see Gary often since high school, but I always enjoyed the times our paths crossed here in Corsicana and up in the DFW area.

“ Gary was a dear friend during my high school years. The last time I saw him, he came to Wichita Falls with some friends and we attended a Corsicana High playoff game about 8 or 9 years ago. The thing I remember most about Gary is that he was always consistent. You always knew he would be the same person whether it was a week or 10 years in between visits. Gary had a way of making you laugh when you wanted to cry and his hugs were the BEST! My heart is broken for all of his dear and close friends and family as I know there will be a great void in your lives. The greatest comfort for all is we will meet up with him again in God's time! I know he will be waiting with a smile and bear hug! God bless you all!

“ It was my privilege to be Gary's mother-in-law and i loved him like the son he was to me. He made Beverly so very happy and he fit in our family perfectly. And we were not ready to give him up, but God was ready to have him grace those golden streets of heaven so all the sadness is in our hearts. We are blessed with so many happy memories of him so he lives on in our hearts.

“ My sympathy to the family. You will be in my thoughts and prayers.

What a great guy and good friend!

I went to high school with Gary and spent time with him in Houston in the early '80s.

We went to several Astros games and a few Houston Rodeos. Gary also let me ride with him to Corsicana on several occasions.....never a dull moment.

I just found out about his departure on 7/25...the memories are all good.

“ To the family of Gary,
You are in my thoughts and prayers. Gary and I grew up next door to each other all my life. He ran around with my brothers during their early school years.
He was always such a clown and kept us all laughing. We had such a fun group in the neighborhood I think there was only one other girl in the neighborhood the rest were all guys...I learned how to take up for myself. I know he will be deeply missed by all. I remember his parents and brother Jamie as well. Now they are all together again.

“ I knew him over 40 years, In school and church (the old Westside CofC on 2nd st)

He was always laughing ...always smiling.

The last time I think saw him was the 25th High School Reunion in 2000.

He was laughing and smiling.

God Bless Him

“ My thoughts and prayers are with Gary's family. My memories of Gary will always be his laughing, playing jokes on others and having a blast in life. He made the parties more fun, his friendship was always true and everyone loved him. I don't think anyone could ever forget Gary's laugh, his bear hugs or his great sense of humor. What an honor to have known Gary and to have him as a friend. He represented what life was all about...living it, enjoying it and being a part of it. He will be missed.
May God bless his family at this time.

“ As I look at my office window to the mountains I am drawn back to the wedding there six years ago this week. A gorgeous view, so many of the family present, the laughter, the rain. What a wonderful time. And so began a great union between two wonderful people. And that relationship continued to grow and heal so many wounds from the past. How awesome that this partnership existed and blessed those around it. His acceptance of a ready-made family that he took to be his own is a powerful example to all. Gary's passing is so sudden and so sad. But he leaves a legacy of great love and a wonderful family that will draw strength from his philosophy of life.
