“ *Skip and Abb, I can only imagine the hole that is left in your heart from the passing of the physical body of our precious Mother, Gelene. You both know that I loved her and was caressed by her as a "second" daughter. She meant the world to me. Your mother always had a smile on her face and never complained, no matter what her situation. I was there in August and saw her. She knew how much I loved her and she loved me. My thoughts and prayers are with you. I know that she is in a much better place with her savior, RT, Joan, Dean, and all that have passed before her. Her legacy and life is shown in each one of you and the wonderful grandchildren that she loved so much. Love, Judy*

“ To the Curry family, My wife and I became acquainted with Mrs. Curry during her stay at Twilight Home. We enjoyed the pleasure of her company while we played card games with her. She is now at peace with her Lord. When you want to talk with her, look only into your Heart; for there you will find her.
