“ *Dear Nancy and family:*

We extend our sympathy for your loss. Gene was a wonderful man. He was always friendly and fair in his business matters and we enjoyed our business relationship with him as well as our friendship. It is easy to see you are a close family, so I know you will be well taken care of, Nancy. However, nothing can take the place of having your partner by your side. May you find peace and the strength to find a way to live your life without him.

“ To all of the Berry family. Mr Berry will be greatly missed by you, his friends, the community. He was a very generous and kind man, always supporting all the local schools with every fund raiser that was brought to him. My family and I will miss his smile and kind words. I will miss him especially since he was sometimes the only person who could understand by a female's description what I was looking for. We love all of you and will keep you in our prayers.
