“ I had the honor and privilege of working for and with Carl for 17 plus years. Carl, in many ways, help me in preparing for my career in the public assembly business. He was a good hearted person, who worked at bringing the best out of those he worked with. I will cherish the memories of the many events and challenges we worked through at the Dallas Memorial Auditorium (later to be called the Dallas Convention Center) and at Reunion Arena. Carl, thanks for being a wonderful colleague and friend. I will miss you.
