“ *My thoughts and prayers are with all your family at this sad time. I am truly sorry for your loss. Mr Womack put with a lot of shenanigans while we were in high school. I know he was a great Dad and he will be greatly missed. Please let me know if I can do anything for you and your family.*

“ *My family moved to Corsicana from Pennsylvania in 1951. There was a church basketball league sponsored by the YMCA. All the big churches in town had lots of talent and good teams. Our little Catholic parish didn't even have a team until we got seven boys together including Gene Womack, Pico Flores, Manuel Rodriguez and my brother, Don, and I. Gene was our leader, and what a spinning bank shot he had! Not only did we acquit ourselves but we actually won the championship! I had a chance to visit with Gene at his insurance office in later years, and we sure enjoyed rehashing our time in the local basketball spotlight. He was a very intelligent, kind man. May our good Lord receive him with open arms into his new life in Heaven. And may He comfort Gene's family with fond memories of his time in this life. Peace,*

“ I only knew Gene for a short time, but as a newcomer to Corsicana he made me feel as if I had lived here forever. I'm sorry I won't be able to know him better. And, he was a great 42 player!

We remember and appreciate all the times that Mr. Womack let us hang out at his house during our high school years. We always had fun there and he didn't seem to mind all the noise and interruption!

“ Hi Dale, guess we lost track of each other after CHS. Have often wondered where you were and how you were doing, never wanted to find you this way. I worked in the building with your dad for a year and talked to your dad all the time - sad thing is - until I read the obituary, I never caught the relationship. Your dad was a kind and sweet man - I'm so very sorry for your loss.

“ Gene Allen and I were school friends from gradeschool thru CHS. We spent many hours at the YMCA in our early years perfecting our ping pong game. My wife Nina and I visited with him at the old Hashop's drugstore about a month ago after not seeing him for several years. Our prayers are with his family.

“ I have not met Gene in person, but I feel like I've known him all my life. I have talked with him over the telephone for 15 1/2 years. He was easy to talk to, made you feel at ease. We talked a lot about cancellations and reinstatements and certificates. But he always asked about my husband and family. I would always ask about his family. He was a very nice, kind and gentle spoken person. I will miss talking to him.

I am so sorry for your loss.

May God Comfort YOU in YOur Time of Need.

“ I remember Mr. Womack from when I would visit his office with my dad, Dub Pritchett. I remember them being friends and that my dad thought a lot of Mr. Womack. Even at the young age I was, which was probably from my elementary to jr. high age when I would go with him on these visits, I got the impression that Mr. Womack was a very nice, friendly and honest man. He was always very kind to me and any time I saw him out in public he took the time to speak to me. I remember my dad saying that he was a good man.
