“ *The many lives you touched -
The minds you were a part of shaping-
The goodness you portrayed-
The patience you had for the children
you helped to guide.
Our hearts are saddened to lose you -
BUt we know in the same saddened heart
that you smile and say - All Is Well
I am home now ! We can feel not only our love for you but comfort
in knowing it is true - You Are Home Now !*

“ *In her eyes the look of loving,
In her smile the warmth of caring.
In her hands the touch of comfort,
In her heart the gift of sharing.
