“ *Goodby our sweet and precious Geneva. What a joy you have been in my life and all our relatives as well I am sure. I will miss you terribly and think of you often.
In my times with you or in your company I have never seen you unfriendly to anyone. I know how much you loved the Lord for we prayed together on each visit. Those memories are priceless and the pictures I took to record them are treasures to me. As long as the Lord tarries I will gladly share them with our family at every opportunity.*

*I love you,

“ For some reason we always called her Neaver,dont ask why I dont know.She was just the most special person in the whole wide world.My mom Jimmie Farmer told me that she never knew of Geneva saying harsh words to anyone.Oh if the world could learn from someone like Geneva.The nursing home where she was did not understand her.This still holds a sore spot for me!! remember her saving me Avon bottles and I would play with them for hours.We will all miss this special person ,but we know she is a special angel now.My prayers are with the family.May God Bless you and watch over you during this time.

“ Thank you Berry boys for sharing your Mawmaw with us city kids. Our best childhood memories were from Kerens. I remeber making my 1st pie crust in Geneva's kitchen, I remeber her dumplings and having a chocolate pie for my mom and a pecan pie for my Dad. I remeber hunting eggs,blackberries and peacocks. I remeber red ants and tank downs and watermelons. Mostly I remeber the love the laughter and the caring right down to the special bread for the dogs. Your Mawmaw was a rare woman and she will be missed. Love you'll
