“ *Gevena was one of the best friends I have ever had
She was always there for me no matter what
We had great times together and I loved her as a sister
She had a lot of talent and taught me plenty of things about sewing
and cooking and how to appreciate the things we have and to make
our lives enjoyable
She will always live in my heart and I am looking forward to seeing
her in heaven
Tony I love you & the girls please call on me for anything*

“ Toni,

I just wanted to express my condolences to you concerning your mother's passing. Pat told me about it of course, but I am unable to attend the funeral. My prayers are with you at this hard time in your life and I pray that you will feel God's presence in the days ahead. She must have been a wonderful woman to have raised a daughter like you.
