“ *Diane and family you have been in my prayers. It hasn't been that long ago that Genevieve called me by telephone to see how we were doing. Genevieve and her family have always seemed like family. I'm not in Corsicana often but I will plan to stop by the business to see you the next time. Your family and Jimmy's family have done a good job of being there for Genevieve all the years. “ I was so saddened this morning when Suzanne called to tell me about Aunt Genevieve. I am so sad for all of us but so happy for your Mom and Dad - they are together again! When I called my Mom in Florida (Claudia Patton) she said that theirs was a true love story! So grateful for all of our wonderful memories and so grateful we are all family!  
Love to you all!

“ *Diane and Brett, Jimmy and Susan,  
My thoughts are with all of you at this time. You are never really ready to give them up but sometimes they are just ready to go. Think about all the good times and get togethers over the years and you will remain happy most of the time. You will always find something funny in your memories that will keep her fresh in your minds. God be with you all at this time and remember she knows what a loving family that she had. Love you all.*

“ YOU KNOW THAT OUR HEARTS ARE BREAKING, TOO. You are in our prayers, as we ask for strength for you. This is an awful time, but think of the blessing for her. Your Dad is waiting for her, and they will be so happy. We never understand, and we NEVER want to give them up, but it just isn't our call. The LORD said that he needed her, and she was ready to go. She has had a blessed life with all of you and you have wonderful memories. Try to think of those, as these next days pass before you.

*We are never to far, that we can't help you in any way. We are like a part of your family, and never hesitate to let us know of anything that we can do, or any thing you need.*

*OUR LOVE ALWAYS,  
Cindy and Mark and Family*
