“ Ernie and family,

*I was so sorry to hear the news. You may never know how much George meant to many of us, but trust me when I say his legacy will live on for many years to come. I met George at Ryder in Corsicana and he took all of us *kids* under his wing just like he did with many others and *raised* us to do things right, live up to your word and make sure you'll be proud of everything you do. He had so many qualities that mirrored my own Dad, it's uncanny. There is no doubt they came from the same *Great Generation* and I try every day to live up to what they taught us.*

I'll always remember his laugh and how he liked a good joke...especially if it was on someone else!

Take care and again....we all hold the time we spent with George as some of the best times in our lives and we are so blessed to have had them. George has truly given the gift of joy to many.

“ *Ernie and Family,
I am so sorry to hear of your loss. I always remember how much you loved George when we both worked for Liberty Mutual and how kind and sweet he was about remembering things, like Valentine's Day and Birthday. You will miss him, but know he waits for you in another place that is free from pain, sorrow and all earthly things, but LOVE... Praying for each of you in this time of sorrow*

“ *To the family and relatives of George Aldama, I send our deepest sympathies and would like you to know that I will always remember George as a kind and extremely likable person who always treated me with courtesy and friendliness. I have known George since I was a child and I was a close friend of his younger brother Richard. I recognize that the family is feeling a great loss but remember that his spirit lives on not only in his children and grandchildren, but will always be near his to his loved ones in the memories they have of him. Peace Be With You.*
