“ *I will always remember George and how entertaining he always was at our family gatherings. We had a lot of fun times. George was one of a kind and a good man.*

“ *The world has lost a great man. George could put a smile on anyones face at anytime....especially when you asked him to bring a dish from home and he would always go to KFC and get a bucket of chicken..=) I will always remember him wearing his cut off shorts with cowboy boots with socks up to his knees...sort of his trade mark in the summer. I will keep the Brown family in my prayers as you all have suffered a GREAT loss!! George will be greatly missed by many! I love you all and wish that Camryn and I could be there with you. GodSpeed!*

“ Allen & Susan, I am so very sorry for your loss. My heart goes out to you and I pray God will comfort you. Your Dad was a very kind man and I will always remember his kindness and his wonderful sense of humor. He always had a funny story to tell me any time we met. I know that he loved you both dearly. He will be missed.

“ What great times we had. Baseball, bonfires and frish fries. He has now joined Fate, Cap and Jerry fishing on the creek in the warm sun.

Allen & Susan, the day will come when you will see him again. And thank God for the days you had with him.

Love
