“ *I couldn't believe it when my mom called and told me of the passing of your loved one. I've known the Wagner family for over 20yrs.I went to school with stevie and his cousin's. Growing up I could always remember the time's I spent with both Mr. and Mrs. Wagner at church and several times visiting them at there home. I always enjoyed talking to them. They bought such joy into my life at a young age with church and school of course. I'm so sadden that the man I called dad passed but joyed that He is in a better place full of such love and with his wife. I get comfort in knowing that they're together. To the family..I would love to get in touch with yall and be there for you all during this time. Take comfort in family and Friends..God Bless..Teresa*

“ Candi, and Gwen,

Sorry to hear about Grandpa passing on. Grandpa was a very interesting man, very young at heart, and always had me laughing about something, esp when he would give Candi a hard time about anything.
