“ So sorry for your loss. I didn't not know Gerald very well, only seeing and talking with him when I visited Donna Bumpers and attending one of your famous garage sales. He was always smiling, happy and so pleasant to be around I know your heart is sad but Gerald is OK now..... and you will be OK, too. Just trust in the Lord.

“Gerald was always so pleasant and welcoming the times we were around him.. I still have a birdhouse that he built. Praying for all of his family as they adjust and asking God to fill the void that is left in their lives. So thankful for the memories that you have of a good man and asking God to hold you close.
