“ Pam and family, I am so sorry for your loss. You and your mother did everything possible to make her last months the best they could be. All we can ask for in our final days on this earth is to be surrounded by those we love, and be allowed to die with dignity. You are in my prayers.

“ I am so sorry for your loss. I met Mrs. Smeltzer several years back when she was still at home. She rode my CTS bus back and forth to the beauty shop. Anytime she called in to the office she always recognized my voice. She was just a lovely woman whom I will miss.

“Geraldine was one of my favorite people at the Sterling House! She was a very strong lady, both mentally and physically! She used to give me a hug everyday and I honestly thought a couple of times that she was going to break my ribs with the strength she had! She was an incredible lady and an inspiration to a lot. She used to walk that building with her walker as if she were racing! She was phenomenal and I am sure she will be missed!
