“ *I just want to say thankyou to Bobbie, Carolyn, and Jim for allowing me to be a part of Mrs. Gertie's life. I began visiting her, to minister to her, and I was the one who received the blessing. I not only made a new friend in her, but became close to all of you as well.*

You are a very loving family and will be blessed for the wonderful care and love you all gave to her. She knew you all loved her and she loved all of you.

I know she is glad to see Jesus and Robert. She missed him alot.

Mine and Bubba's prayers are with all of you. Love ya Andrea and Bubba

“ To all of Gertie's family,
I will never forget Gertie, from the first time she came to Heritage Oaks West she blessed my life. I just fell in love with her great spirit and just plain sweetness. She touched many lives at HOW, you could see God in her, he just shone through. I know how you will all miss her, as I will. Even though she could not see well at all when I would pass by she knew someone who her loved her was there close by and the look on her face was so caring.

It was a great privilege to know and care for her and to meet her family. I hope to see you all out and about and may God be with you all.
