“ *I never had the pleasure of knowing Mrs. Starr but her son Shelby is great testimony to her skills as a mother. She raised a wonderful son so I'll wager that she was a terrific mother. I know she will be missed by Shelby, Bonnie, her grandchildren, other relatives and all of her friends who knew and loved her.*

“ *What a great long life to be celebrated. Her son, Shelby, grew up to be a man of good character and integrity. I am sure his mother had a great deal to do with that.*
