“ *I remember Ginger and I going on summer choir tours with First Baptist Church. We had so much fun. We performed a musical at night. During the day we lead VBS in the parks or peoples backyards. We got to tell a lot of people about Jesus. I saw Ginger the Tuesday after she entered Twilight Nursing Home. She told me she was going to heaven. She was so happy! She knew her time was close and she was ready. She also told me she was going to be buried on the farm. I told her I was going to celebrate her homegoing. I thank God Ginger was my friend in our childhood through adulthood. I will see her again in Heaven!*
