“ Thank you to all who left tributes and notes to our family. She was a wonderfully amazing woman and probably the best grandmother someone could ever have. I miss her terribly already and will miss her and Papaw always.

“ Charla - Please accept our deepest sympathies. I remember your mother from school and other activities. We talked about my interest in SFASU when I was a senior at CHS. Please know that many are thinking of you during this difficult time.

“ Charla,
I have fond memories of your mother trying to teach me to sew in Homemaking Classes. I think it too me six weeks to make a set of pillow cases and I'm sure I caused her to take something for a headache every day I sewed. She was sooo patient with me and encouraged me.
I really appreciated the fact that she didn't run off in to the night and give up on me. Those memories make me smile and remember how special some people really are in our lives. Thank you for sharing a truly sweet lady with me. I hope your memories give you comfort during these sad times.

“ *I remember what a treat it was when Mamaw and Papaw would take me along to visit Aunt Sis and Uncle Blondie in Corsicana. There was always the smell of a yummy home-baked cake or dessert when you walked in the door. I also remember the toy horse and gingerbread man quilt she made by hand for me when I was a child. She was always very thoughtful and will certainly be missed.*

“ When hearts are filled with sorrow there is little one can say, for only time can comfort you when a dear one passes away. So may the time be hastened until sorrow will depart and many wonderful happy memories will live on within your hearts, and all of those who loved your mother, your grandmother and great grandmother. She was truly a loving friend. My thoughts and prayers are with you during these darkest of hours.

Most fondly, Babbette

“ Charla,
You and your family are in my prayers. Your Mom had a wonderful life and may you find comfort in your many memories.....Like making her slide down in the car floor when you were cruising the local Drive In.
